

Each year fans of the Rochester Falconcam try to guess how many eggs the Rochester Peregrine Falcons nesting at Kodak Tower will lay. We have seen Mariah lay as few as 3 and as many as 6 eggs in the last 11 years. This year turn the guessing into a fundraising event with **"Pledge an Egg"**!

How it works:

Pick a pledge amount for each egg. When Mariah has finished laying the eggs, probably around the middle of April, the final number will be posted in *Imprints* on rfalconcam.com. Multiply your pledge amount by the number of eggs and send in your donation, payable to Genesee Valley Audubon Society. Make sure to write "Pledge an Egg" on the memo line of your check.

See how much money you can raise for the Rochester Falconcam! Ask your family, friends, co-workers or classmates to "Pledge an Egg". Use the form below to track the pledges you will be collecting
